REVIEW

VOLUME 1, ISSUE 1 WINTER 2015

Welcome!

Hello,

I am so proud of our employees and management team. Some have been with us for many years, while others have been promoted from within. Our employees have led us through 25 years of growth in the cocoa industry.

Their understanding of how their efforts impact the process of continued improvement has been the greatest nucleus for this growth. Their understanding of "TREAT EVERY CUSTOMER LIKE THEY ARE NUMBER ONE" is understood by all. And we thank all of you for your continued support.

I welcome you to Florida and do hope you have an educational, safe and enjoyable stay.

All the best,

Harvey Weiner

What our customers say about the Port of Philly...

"Thank God for the foresight and tenacity to move imports to the Port of Philadelphia (when it was said to be impossible). Not being the nation's largest port suits Blommer Chocolate perfectly!"

- Michael Lang
Supply Chain Manager, Logistics
Blommer Chocolates

DDS is proud to have donated \$10,000 to the World Cocoa Foundations and the Global Cocoa Collaboration in the fight against Ebola.
